

**SCHOOL DISTRICT COMMITMENT TO
LEARNING RESULTS**

The RSU 87/MSAD 23 School Board hereby adopts the system of Maine Learning Results and the Maine Department of Education's applicable rules. The Maine Learning Results will serve as a foundation for curriculum, instruction and assessment for all students. The board recognizes the intent of the Maine Learning Results to provide all children with opportunities to meet the high expectations which the Maine Learning Results set. To that end, the board is committed to setting policies which support the Maine Learning Results implementation and create conditions where these expectations can be met. This commitment to implementation of the Maine Learning Results will be a coordinated effort of the board, superintendent, administration, teachers, parents, students and community.
